

First Nations Health Authority
Health through wellness

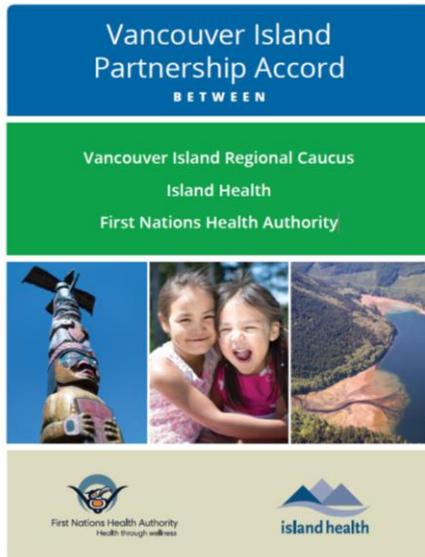

Vancouver Island Partnership Accord Evaluation Regional caucus

November 6, 2018

About the Partnership Accord

- Original accord signed in 2012 between
 - Vancouver Island Regional Caucus
 - Island Health
 - FNHA

- Renewed in 2016

Purpose of the Partnership Accord*

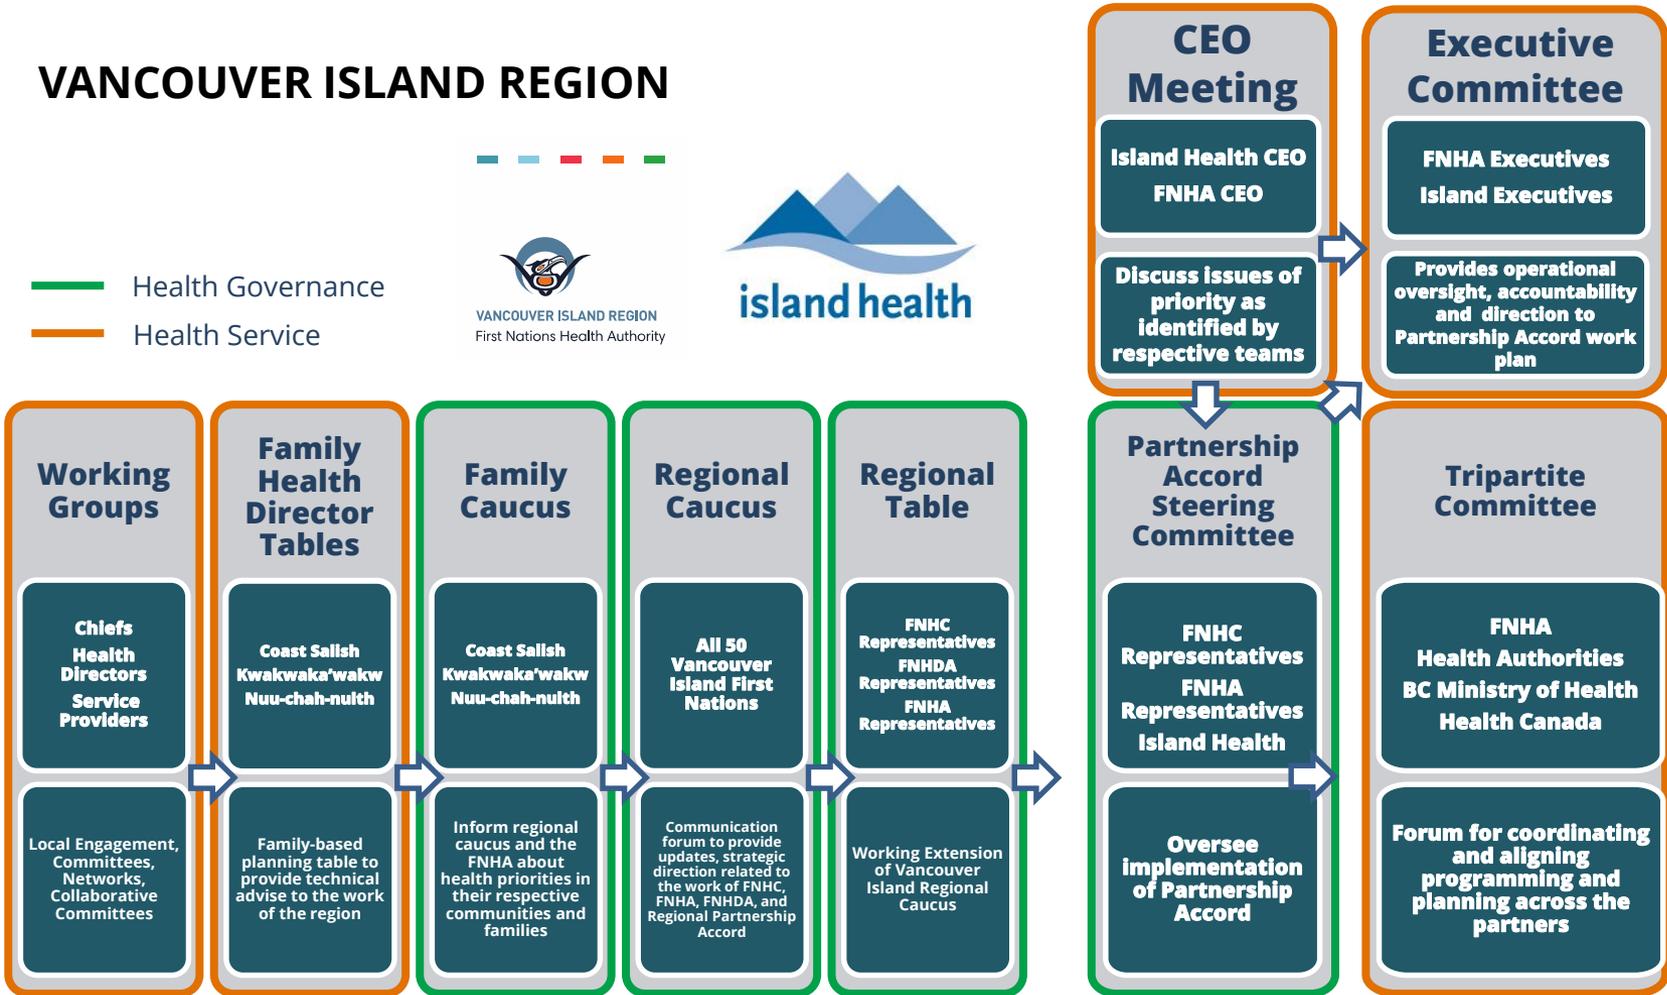

“a relationship document intended to strengthen partnership and shared decision-making between the Parties towards a shared goal of improving the health outcomes of and creating a more integrated, culturally appropriate, safe, and effective health system for First Nations on Vancouver Island”

* VI PA agreement (2016). Paragraph 2.

VANCOUVER ISLAND REGION

1) Vancouver Island Regional Caucus Roles & Responsibilities*

- Engage on key health and wellness issues through:
 - Sharing info on the work of the governance structure
 - Providing guidance on regional health matters
 - Developing and monitoring progress of the RH&WP
 - Providing direction to the Regional table & VI FNHC reps
 - Contributing to political advocacy

* VI PA agreement (2016). Paragraph 7.

1) Vancouver Island Regional Table*

Working extension of the caucus + 3 sub-regional FNHDA family reps

Coast Salish Nations
Telaxten
(Paul Sam)

Kwakwaka'wakw Nations
Tania Dick

Nuu-chah-nulth Nations
Les Doiron

Coast Salish Nations
Charles Nelson

Kwakwaka'wakw Nations
Kim Roberts

Nuu-chah-nulth Nations
Vanessa Charlong

* VI PA agreement (2016). Paragraph 9.

2) Island Health Mandate*

- Provide health services to all 767,000 people including non-status Aboriginal people, Metis and Status Indians living on and off reserve
- CEO has responsibility that the Transformative Change Accord is implemented and that all Island Health programs follow through on commitment to deliver culturally appropriate services to First Nations

* VI PA agreement (2016). Paragraph 12 & 13 .

3) FNHA Mandate*

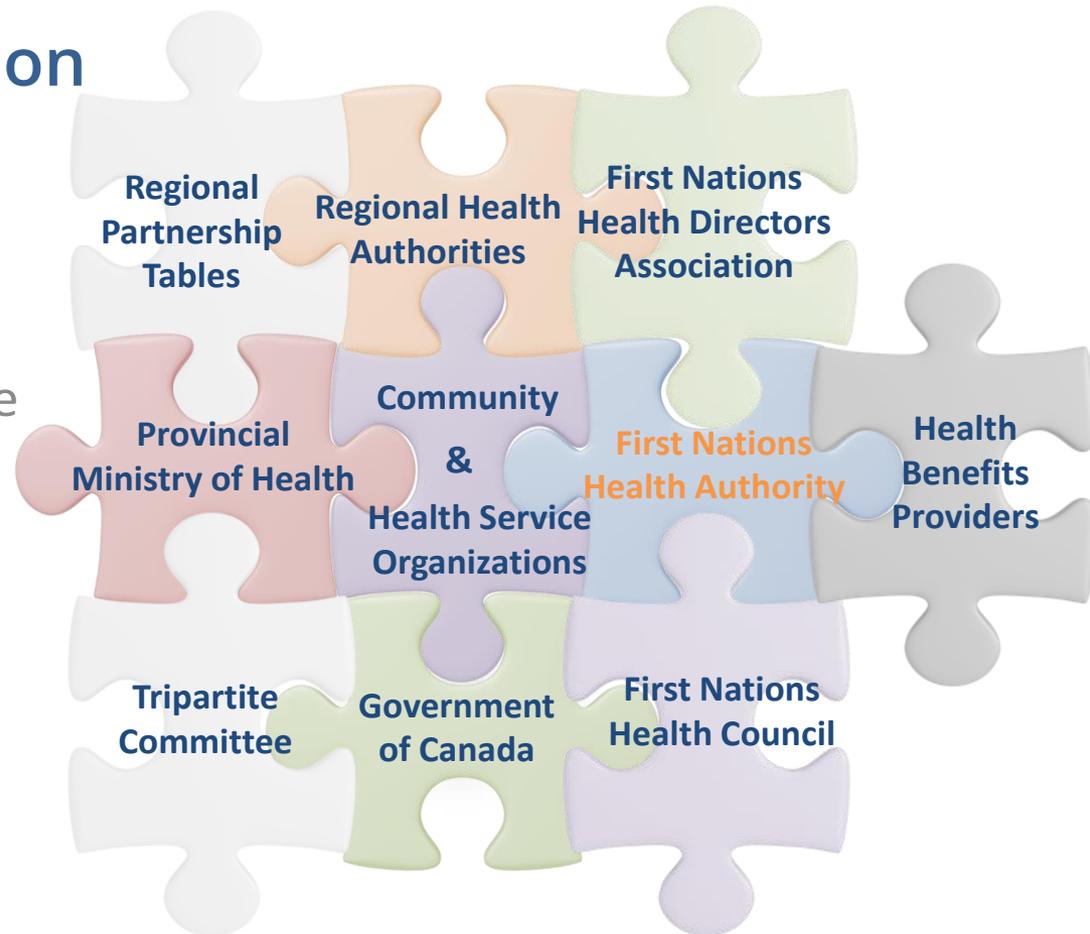

- Plan, design, manage, delivery and fund First Nations health programs in BC
- Collaborate with MOH & Island Health to coordinate and integrate health programs
- Incorporate and promote First Nations knowledge, beliefs, values, practices, medicines and models of health and healing
- Be constituted with good governance, accountability, transparency and openness
- Establish standards for programs
- Collect and maintain clinical info
- Modify health programs through collaborative and transparent process
- Design and implement mechanisms to engage First Nations
- Enhance collaboration among FN health providers to address economies of scale
- Carry out research and policy development

* VI PA agreement (2016). Paragraph 11.

The Tripartite Evaluation

Assesses how well system is functioning for BC First Nations, recognizing that the FNHA is responsible for a small part of the system and service delivery

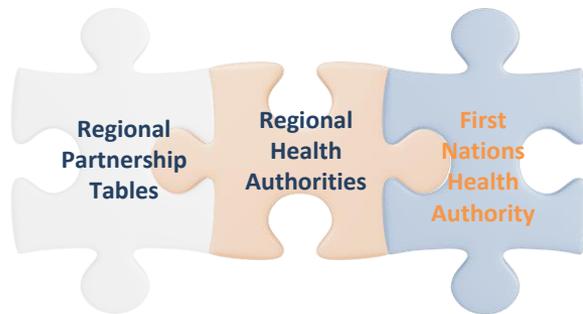

An evaluation of the Tripartite Framework Agreement is a mandatory requirement

As per **Section 10** of the BC Tripartite Framework Agreement (TFA): The Parties shall jointly evaluate the implementation of the Agreement every five (5) years

Partnership Accord Evaluation

- Effective way of referencing/profiling regional work in overall evaluation
- Opportunity for robust engagement
- Directed by Regional Partnership Tables
- Support ongoing growth, evolution and strengthening of the partnership and processes* rather than being accountability focused
- Reflect emergent environments, expectations and priorities**

Partnership Accord Steering Committee

Partnership Accord Executive Committee

Partnership Accord Evaluation Working Group

* VI PA agreement (2016). Paragraph 1.
** VI PA agreement (2016). Paragraph 18.

Many voices

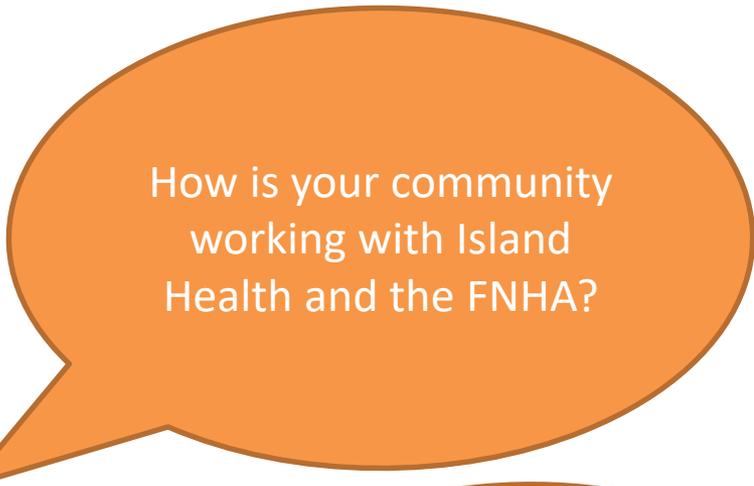

- Key stakeholders include

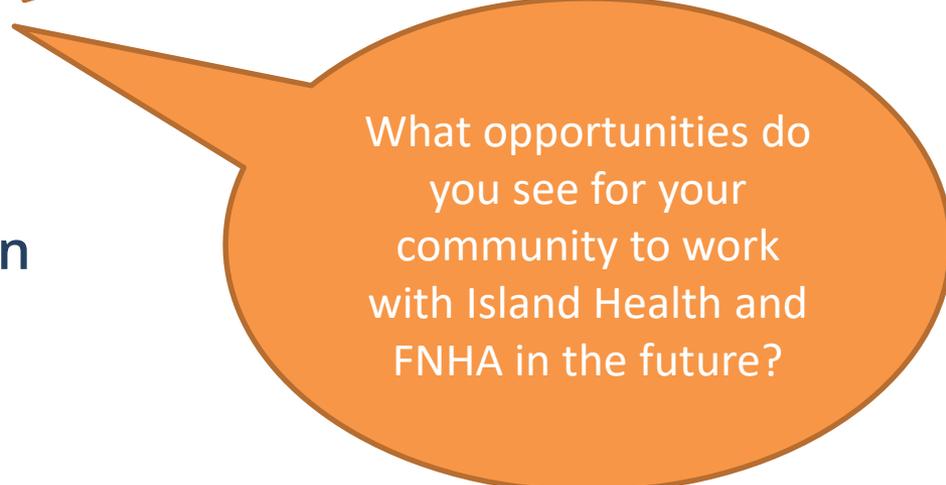

Evaluation next steps

- Nov-January– data collection, writing and analysis
 - Approach for reporting and validation.
- Early 2019 – summary validation at PASC and Regional Table
- Come tell us your thoughts over the next 3 days
- Representatives from the evaluation department (Megan and Max) will be sitting in the lobby to collect more stories

How is your community working with Island Health and the FNHA?

What opportunities do you see for your community to work with Island Health and FNHA in the future?
