

First Nations Health Authority  
Health through wellness

# Healing Centres and Modalities

**Lisa Robinson**, Executive Director, Kackaamin Family Development  
Centre

**Hilda Green**, Manager, Healing Modalities, FNHA

First Nations Health Authority  
Health through wellness

# Background

- Focus on approaches to **healing** and **wholistic wellness**
- Unresolved **trauma** and disenfranchised **grief** brought to forefront
- Compounding traumas and emergencies **increased** need for mental health and wellness supports
- TRC Call to Action 21#: Sustainable funding for existing and new Aboriginal **healing centres**

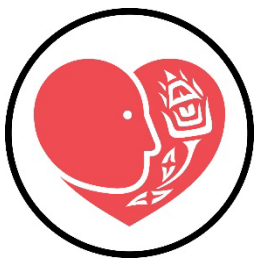

# Healing Centres and Modalities

**FNHA's Vision: Provincial network of healing centres and modalities as part of a comprehensive continuum of care**

- In alignment with TRC Call to Action 21 – sustainable funding for existing and new Aboriginal healing centres
- Complement, not replace, existing services along the continuum (e.g. treatment centres)
- Provide:
  - A place to connect people to healing, trauma specific services and wrap around supports.
  - Traditional healers working alongside trauma specialists towards creating a traditional healing & trauma-specific therapy
  - Integrated continuity of care

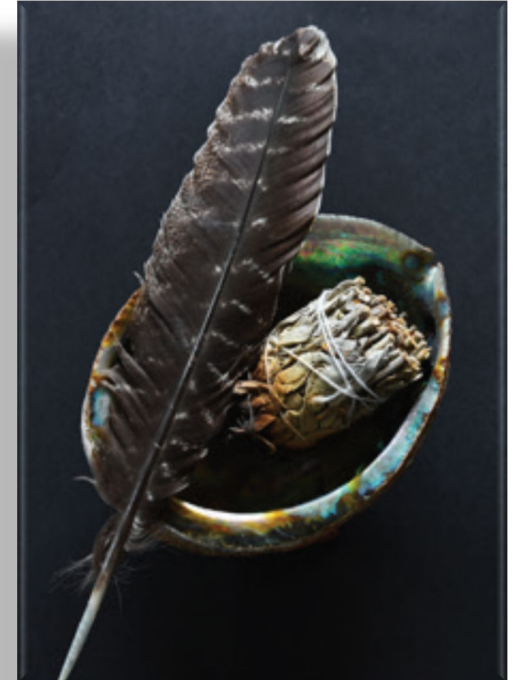

# Site Selection

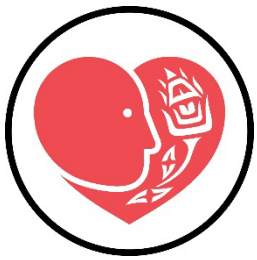

First Nations Health Authority  
Health through wellness

## Region-led Process

- Phased approach – last fiscal one site per region
- Phase 2: site selection is in various stages of completion
- Funding available to support hiring regional coordination leads

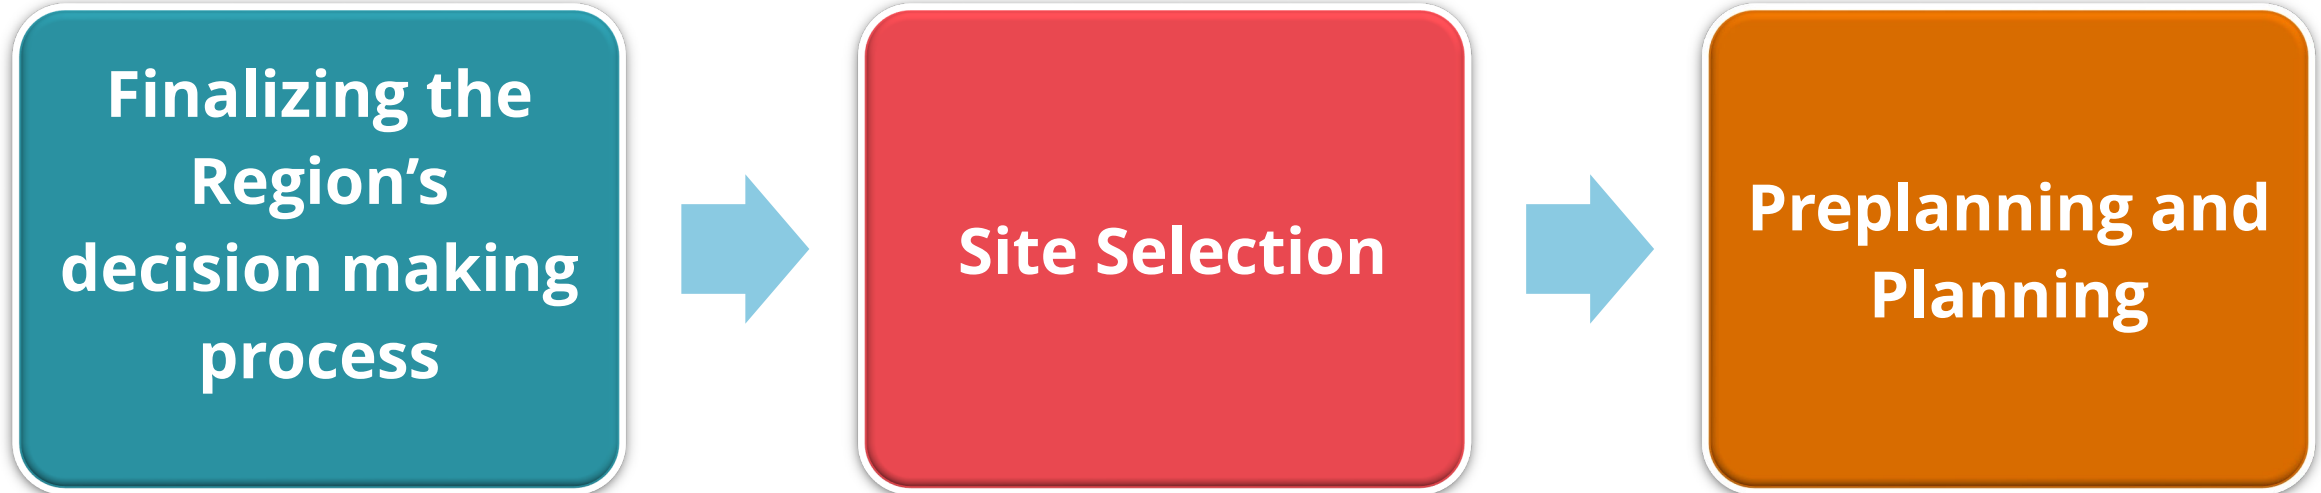

# Phased Approach

First Nations Health Authority  
Health through wellness

**FY 2023/24**  
Progress 2 Fraser Region sites and their respective program planning

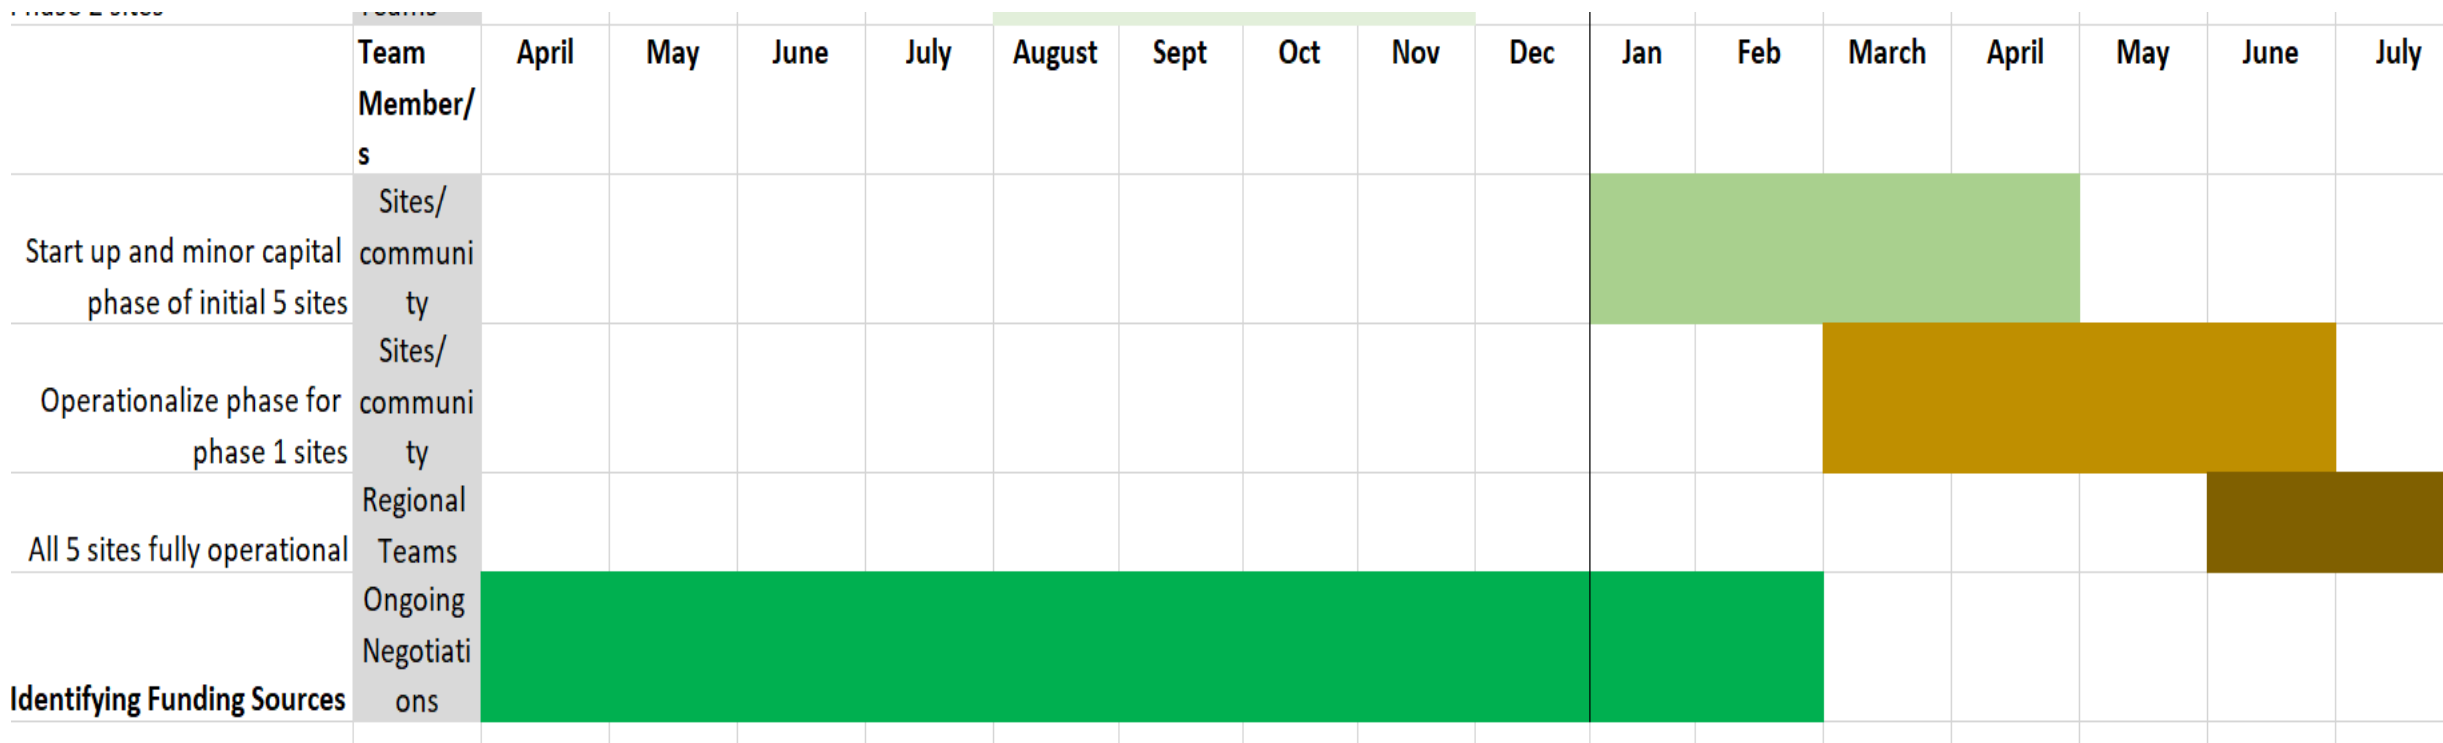

# Timeline 2023

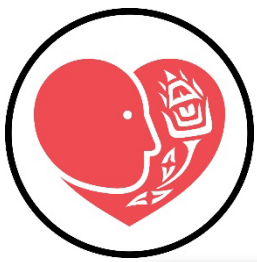

| Task   | 2023                 |        |     |           |      |             |      |      |      |     |     |     |       |
|--|----------------------|--------|-----|-----------|------|-------------|------|------|------|-----|-----|-----|-------|
|  | Team Member/s        | April  | May | June      | July | August      | Sept | Oct  | Nov  | Dec | Jan | Feb | March |
| <b>Identify Initial Sites</b>  |                      |        |     |           |      |             |      |      |      |     |     |     |       |
| Identify Regional Coordinator lead to develop to assist with site selection and project plan | Regional Teams       | Yellow |     |           |      |             |      |      |      |     |     |     |       |
| Determine regional process for site selection  | Regional Teams       | Brown  |     |           |      |             |      |      |      |     |     |     |       |
| Site Selection for initial 5 locations   | Regional Teams       | Grey   |     |           |      |             |      |      |      |     |     |     |       |
| <b>Planning</b>  |                      |        |     |           |      |             |      |      |      |     |     |     |       |
| Preplanning and Planning activities  | Regional Teams       |        |     | Dark Blue |      |             |      |      |      |     |     |     |       |
| Submission of project plan by each initial site  | Regional Coordinator |        |     |           |      |             |      | Blue |      |     |     |     |       |
| Review & approval of plans (regional notional allocations)                                   | Central MHW Team     |        |     |           |      |             |      |      | Grey |     |     |     |       |
| Start Selection process for Phase 2 sites  | Regional Teams       |        |     |           |      | Light Green |      |      |      |     |     |     |       |

# Timeline 2023/2024

# Our Path Forward

First Nations Health Authority  
Health through wellness

## Work Underway

- 7 sites committed:
  - 1 Interior; 1 Vancouver Island; 2 Vancouver Coastal; 3 Fraser Salish
- Implementation plan complete
- Rebuilding the Circle (housed at Kackaamin) is implementing their plan
  - Initiating mobile unit next fiscal
- 5 year implementation plan drafted

## Next Steps

- Complete 2 more site selections for phase 2
- Pre-planning & Planning phases for second phase sites
- Support Implementation phase for other 1<sup>st</sup> phase sites
- Secure operational funds

First Nations Health Authority  
Health through wellness
